Rochester Road Race

Hot Times in Rochester

By Adam Silva

Talk about self-improvement. Julien Di Maria, a Parisian exchange student staying in Lexington, won the fourth-annual Rochester Road Race on Saturday, August 15, setting a new record at 15:46. He beat the previous record by nearly a minute at 16:41, set the previous year by himself. The pavement was burning as the temperature was already in the mid 80's by the early morning.

Not to be outdone, the women's record was also broken by Dartmouth's Joanne Matthews, who set the new standard at 18:39. The previous women's record was held by Rochester's Darnyl DaSilva in 2008 at 21:37. The top six women's finishers this year all beat the record that was set by Ms. DaSilva. In order were Plymouth's Kerry Hennessey at 19:17, New Bedford's Jennifer Almeida at 20:07, Darnyl DaSilva at 21:20, Dartmouth's Cali Warner at 21:33 and Marion's Cindy Tilden at 21:36.

"This is my fifteenth race this season," said Ms. Matthews, still wiping the sweat from her brow after the 5k/3.1 mile run. "This is my first time doing this race, but I've competed at the ones in Mattapoisett, Marion and Fairhaven. This one is rather nice and like a pancake, although I like them typically to have some sort of variables."

The race, which was sponsored by Covanta Energy, was estimated to have 400 runners and walkers take part this year, 70 more than last year. The cost was $15 for runners and $8 for walkers with all of the proceeds going to Damien's Food Pantry. The event was started four years ago by Travis Van Hall, Scott Mueller, Chuck Kantner, Jeff Perry and Kevin Cassidy, who, according to race organizer Patti Howard, "were five guys from Rochester that wanted to better the community and have fun at the same time."

Rochester's Past Comes Alive

By Anne O'Brien-Kakley

The East Rochester Congregational Church is home to the Rochester Historical Society collection of area-related artifacts. The Rochester Historical Society has opened its doors on Sunday afternoons this summer from 1:00 to 3:00 pm, so local residents can experience Rochester's rich history.

The small country church on County Street invites us to revisit the New England of years past. Although the cars speed on by the building on County Road, the otherwise bucolic surroundings and the small church graveyard set the mood for browsing the Society's artifacts.

The pews of the East Rochester Church serve as tables to the many displays an artifacts that the historical society has accrued over the years, ranging from copper photo blocks (donated by Joan Plaud of Rochester), to newspaper clippings and kitchen utensils of days gone by. There is period clothing, and a large spinning wheel to show how our ancestors lived in old New England. There is even a display of shoes from the 1700's in a glass case. The shoes, which are in excellent condition considering their age, were found between the floor and ceiling of the Samuel Arnold III house.

One display that is particularly eye-catching is the Waterman School display. The small school was eventually consolidated with Center and Pierceville

schools in 1954. The Society has collected many pictures of Waterman classmates ranging from 1900 to the 1950's. Trustee Constance Eshbach loves to see Waterman alumni visit the museum, especially when they bear stories about her grandmother Marion Hartley, who was a beloved schoolteacher during this period. She finds it amazing that people still feel such strong affection for their teacher, even 50 years after graduating grammar school.

Historical homeowners will be especially interested in the large binders on individual houses and streets. The Society has tried to accumulate information on each house over the years, and this information is available to any town citizen who is interested in researching their historical dwelling. also be available at the Rochester Country Fair, August 22-23.

There is still so much more to see – displays of antique cranberry bog equipment, maps of the old grist and saw mills, early photographs of antique area homes, and old pottery have all been carefully maintained over the years. An 1895 Mason and Risch Vocalion organ that was originally part of a Hathaway estate, fills one corner of the church, lending a Victorian mystique to the collection.

There is still one Sunday left in August to visit the Society's display at the church. The displays will be open to the public on August 23, from 1:00 to 3:00. Although the exhibit is free, a small donation is much appreciated. The Society is always accepting monetary donations, and loves to receive artifacts either as gifts or loans. The Society regularly meets at the museum on the third Wednesday of the month at 7:00 pm.

Tucker and Secretary Tammy Ferreira were not in attendance.

Brad and Susan Drake, of 140 North St., Mattapoisett, came before the Board with a request to be allowed to remove a dilapidated tree on their property. The tree is on a scenic road and part of the town's "scenic layout," and therefore needs Board approval to be removed. The Drakes estimate that the tree is 40 to 45 feet high and has to be at least over 50 years old, since it was quite large when they moved to Mattapoisett 48 years ago.

Ms. Field asked if a tree would be planted somewhere in town, not necessarily in the same place, in lieu of the tree and Mr. Drake said he would be more than happy to plant one himself and would work with the Mattapoisett Tree Committee on doing so. Mr. Mathieu motioned that permission be granted for the tree to be removed and was seconded by Ms. Field.

Mr. Cote asked the Board who was responsible for the destruction of the tree, since it was on private property, but needed town permission to decide upon its fate. Since the Chairman and Secretary of the Board were not in attendance, no definitive answer could be given until the matter was brought up to Chairman Tucker.

An informal question and answer session was held for Mattapoisett residents Steve Johansen and Bill Caton as to the possibility of adding another driveway to the vacant lot at 99 Brandt Island Road. If the lot is developed, the gentlemen were in a discussion if the lot could be split off for two houses to be built upon it and have a driveway added. The Board stated that common driveways are not allowed in the Town's By-laws.

Mr. Cote suggested to the Board that they should accompany him on trips to several parts of the town to view potential small projects, such as trimming the forests

on the windy sections of Crystal Spring Road near North Street. He also suggested putting a grate surrounding the large tree next to the tennis courts on Hammond Street. He jokingly suggested it would be a "Ride to beautify Mattapoisett."

The Meeting was adjourned at 8:15pm by Mr. Mathieu. The Planning Board meets every first and third Monday of the month at 7:30 pm at the Mattapoisett Town Hall.

Rochester Grange Fair

Fiddling with Tiffany Rozenas at the Grange

By Sarah K. Taylor

At the ninety-ninth annual Rochester Grange Fair this past Saturday, August 15, 2009, the lovely Tiffany Rozenas shared her musical talent with the town of Rochester. Ms. Rozenas, a resident herself, has been playing the fiddle since age nine. Her father, Bronie Rozenas, accompanied her on the guitar. Apparently Ms. Rozenas' mother joins in on the drums from time to time, but tonight she sat back and enjoyed the music from

the audience. The atmosphere was relaxed, and people meandered to their seats after browsing at the Grange Fair's displays.

The Rochester Grange Fair always falls on the third Saturday in August. It is open to the public and anyone who is interested in participating may. A book of rules and regulations is provided before the Fair begins, which outlines certain requirements, such as any craft, canned good or conservation exhibit must have been made within the last year.

In the past there have been animals and horse pulls included in the fair, but today the focus is on flowers, fruits and vegetables. The Grange Hall was also filled with baked goods, crafts and artwork. This year's Grange Fair, which lasted from 1:30 to 7:00 pm, included a dinner and an auction.

The Grange Hall, which had a number of fans blowing, reached the hottest temperature anyone had experienced yet this summer. Regardless, the show was inspiring and the music worthy of toe-tapping. Programs were turned into make-shift fans and water was passed out at the front door. Ms. Rozenas re-tuned her instrument between songs and explained that "her fiddle doesn't like the humidity."

Ms. Rozenas spoke about her early interest in the fiddle, and that she had learned to play classically originally, but found that she was more drawn to Celtic music. She has recently discovered that Blue Grass music

peaks her interest as well and included some Blue Grass tunes in her show.

The evening's repertoire included songs titled "Josephine's Waltz", "Sand Worms", "Keep it up" and "The Tennessee Waltz." On her website, a list of "fiddle heroes" is given, which lists the group Halali, and individual fiddlers Laura Cortese and Hanneke Cassel, among others.

Ms. Rozenas has participated in a number of fiddle camps, which include Gaelic Roots, Boston Harbor Fiddle School, Valley of the Moon Fiddle School in California, Mark O'Conners Fiddle Camp in Tennessee and the Berklee String Fling. She travels around New England playing her fiddle and can be found at various

Rochester Selectmen's Meeting

By Sarah K. Taylor

A Meeting of the Rochester Board of Selectmen was called to order on Monday August 17, 2009 at 7:00 pm by Chairman Richard Nunes. Also present were Selectman Bradford N. Morse, Selectman Naida L. Parker, Town Administrator Richard LaCamera and Administrative Assistant Veronica Lafreniere.

The minutes from August 3, 2009 were approved.

A representative from Southeast Realty Development requested a water tie-in, and a motion was made and approved of by the Board.

Under the Selectmen's Signature an amount of $1,385,000.00 Advance Funds in Lieu of Borrowing was discussed by Mr. LaCamera. The Board needed to approve the use of the Stabilization Account for this

For People on the Agenda, Richard and Ed Canning of R.F. Morse and Son proposed a potential location for a supermarket to be built in the Town of Rochester. The preliminary steps for approval include opening up discussion and finding retailers who are interested in coming to the area and taking up this project. The Board of Selectmen agreed that a generally commercial area of about thirty acres of Rochester land could be suitable and Chairman Nunes added that it "sounds like a great opportunity for the town." A meeting will be held with the Planning Board as well.

Also under the Selectmen's Signatures was the re-appointment of Barry Denham as the Veterans Services

A Triathlon Permit, which is set to take place on August 29 and 30, 2009, and which has received prior approval from the Police Department, was approved by the Board of Selectmen.

For the Town Administrator's Report, a proposed amendment to the current police contract was discussed. The concern was that the members of the Police Force were not receiving payment on a timely basis, and Mr. LaCamera addressed the concern by re-issuing an amended contract, which the Police Department could review.

Mr. LaCamera also reminded the Board members that the Country Fair is this weekend.

The School Project, of which discussion has been ongoing, is now in the final stages of its preliminary design, and there will be a booth at the Country Fair for the public to see the design.

TriTown Selectmen's Meeting

August 17, 2009

By Adam Silva

A regular meeting of the Tri-Town Board of Selectmen was called to order by Mattapoisett Chairman Jordan Collyer at 7:05 pm at the Mattapoisett Town Hall on Tuesday, August 18, 2009. Also in attendance were Mattapoisett Selectman George Randall and Town Administrator Michael Botelho, Rochester Selectmen Brad Morse, Richard Nunes, Naida Parker and Town Administrator Richard LaCamera, Marion Selectmen Stephen Cushing, Roger Blanchette and Jonathan Henry. Mattapoisett Selectman Paul Silva and Marion Town Administrator Paul Dawson were not in attendance. The last Tri-Town Board of Selectmen Meeting was held on February 5, 2009 at Old Rochester Regional High School.

At 7:10 pm, the eight Selectmen in attendance reviewed the minutes of the previous joint meeting. The largest topic on the agenda of the evening was appointing one Selectman from the Tri-Town to serve on the Old Rochester Regional Superintendent Search Committee. Although the Selectman will not be able to vote, their influence will be recognized by those making the decision. Selectman Paul Silva is currently on the Regional School Committee, therefore making him ineligible to serve as the Selectman on the Search Committee.

Selectman Blanchette instantly motioned that Selectman Collyer serve as the Selectman on the Search Committee. Selectman Collyer had stated previously that he had intentions of putting his name up for contention and once Selectman Blanchette made the motion, nearly every other Selectman seconded the motion at once.

Selectman Blanchette stated that at the most recent Marion Selectman's Meeting, they had agreed upon funding a grant writer for the town and plan on beginning the search for one soon. Mr. LaCamera stated that Rochester does not have the money to partake in such an endeavor and Selectman Collyer stated that he is open to the idea of potentially hiring someone, but they would have to have immense experience and be from a larger area. No further action was taken on the subject.

Selectman Nunes asked if anyone had heard any news on the potential of a wind turbine at the high school. Selectman Collyer said that it was basically a dead issue and that it wasn't cost effective from what he had heard. Mr. LaCamera thanked Michael Botelho and wished him the best of luck, as Mr. Botelho will be retiring as Town Administrator at the end of the month. Former Dartmouth Town Administrator Michael Gagne will be taking over as the Town Administrator in just a few short weeks.

Mr. LaCamera said that he would schedule the next Tri-Town Meeting for the middle of November and that it would most likely take place at Old Rochester Regional High School. The meeting was adjourned at 7:42 pm by Selectman Henry.

Letters to the Editor

To the Editor:

The players and parents of The Mattapoisett Youth Baseball Association would like to express our heartfelt gratitude to the members and staff at the Bay Club. The club graciously donated time and equipment to assist in the improvement of Lambo field. Anyone who has seen the results knows what a great job they did. Specifically we would like to thank Jon O'Connor (Gold Course Superintendent at the Bay Club) for his expert

To the Editor:

Wednesday night, August 12, about 100 people had come to hear the regular band concert at Shipyard Park in Mattapoisett. Some forty musicians had come to play the concert scheduled for 7:30 pm. The gazebo was dark and the locker containing the chairs for the band was locked. The police were called and the patrolman arrived, shook the door and announced, "It is locked. There is nothing I can do about it." It soon became apparent that NO ONE was going to do anything about the situation. The disappointed crowd slowly dispersed and the band members, many of whom had come from some distance, went home.

What an embarrassing commentary on the town management. One would think the Town Manager, who

ANTIFREEZE POISONING

My dog was in the garage with me as I was changing the antifreeze in my car. He sniffed the old antifreeze and was going to drink it. I stopped him. Would it make him sick?

Antifreeze (Ethylene glycol) has a sweet smell that is, unfortunately, attractive to dogs. It can cause kidney failure if the dog is not treated within 4-6 hours after drinking this poison. If you see your dog or cat drinking antifreeze, take him to your veterinarian immediately.

The Lion Does Not Sleep Tonight

With another successful Harbor Days behind them, members of the Mattapoisett Lions Club seem to be busier than ever this month. Fifteen members of the Club, under the project chairmanship of Ken Dawicki, hosted a lobster and clamboil dinner at camp Massasoit for the players of the Wareham Gateman baseball team and their host families and friends. The event drew rave review from friends and family alike. Members of the Club could also be found at Heritage Days where Steve Magyar and his crew cooked up countless burgers and hot dogs for the public.

Requests to have local events listed on our bulletin board located at the corners of Route 6 and North St have been overwhelming. We ask that you please mail in your event listing at least two weeks prior to the event to: Mattapoisett Lions Club, P.O. Box 1022, Mattapoisett, Ma 02739. Postings are subject to space availability.

Our next regular meeting is scheduled for Wednesday September 9, at 6:30 pm at the Mattapoisett Chowder House. Meals choices will be mailed out shortly.

Annual Pig Roast on Saturday, August 22, at 6:00 pm under the big tent at the Rochester Country Fair Grounds. The ticket price is $20, the same price as last year, and children under 5 are free. Tickets may be purchased at Bev Loves Books, located in the Plumb Corner Mall.

The menu, as in years past, consists of BBQ pork shoulder prepared in "Pig Pickens" on-site pit, baked beans, apple sauce, cole slaw and rolls. The Trust also provides fresh sliced local tomatoes, a variety of home made desserts, ice cold local water, soda and coffee.

Celtic Fiddler Tiffany Rozenas will provide entertainment during the meal, just as she has done in the past. During the meal, the winners of both the annual silent auction and raffle will be announced. Items will be displayed and raffle tickets sold all day at the RLT booth at the fair. Many local merchants and residents have donated a wide assortment of goods, many of them handcrafted, and services to benefit the works of the Trust.

Meet old friends and make new ones at the Rochester Land Trust Pig Roast under the big tent at the Rochester Country Fair. Don't forget to wear your beads – it's Mardi Gras!

Mattapoisett Library Game Winners

This year was small town life and the weather was at its best for Mattapoisett Heritage Days, held Friday, August 7-9. Gamers were delighted with the Historical Commission's Mattapoisett Word Search that featured local history facts, lore, and locations. The oversized puzzle, displayed in the library, attracted residents and guests for several weeks leading up to the free drawing for participants at the Lawn Party on Saturday afternoon. The prize for children was a gift basket filled with books, goodies, summer toys and craft

Rochester Police Remind You to Drive Safely

The Rochester Police Department will partner with the Massachusetts State Police and hundreds of other local police departments to conduct extra traffic enforcement focused on arresting impaired drivers as part of a *Drunk Driving - Over the Limit- Under Arrest* campaign, August 14 through September 7. State and local police will conduct sobriety checkpoints and saturation patrols throughout the mobilization. The Executive Office of Public Safety and Security has provided $779,000 in federal grant funding for this initiative for both enforcement and a public education campaign.

during this up-coming Labor Day weekend, the Rochester Police Department offers these six travel tips:

- Drive sober and well-rested.
- Obey speed limits and allow extra time for unexpected traffic and weather conditions.
- If celebration plans involve alcoholic beverages, designate a sober driver before heading out, or plan to use public transportation, take a taxi (program a cab company's phone number into your cell), or sleep over at the event location.
- Never accept a ride with an impaired driver.
- Report impaired drivers by dialing 911.
- Make sure everyone is properly buckled up – it's the best defense against a drunk, speeding, or aggressive driver.

Additionally, those hosting Labor Day BBQs and other celebrations are urged to consider having ample non-alcoholic drinks available, do not serve alcohol to anyone under age 21, and prevent impaired guests from getting behind the wheel.

On average each week, 300 people are arrested for impaired driving in Massachusetts. A first-time conviction for drunk driving in Massachusetts can cost more than $7,800, plus the significant expenses involved with insurance surcharges and attorney services.

Mattapoisett Bicycle and Recreational Path

The Friends of the Mattapoisett Bicycle and Recreational Path want to thank all of the Rail Trail supporters. They are closing their very active spring and summer activities with entertainment at the Kinsale Inn in Mattapoisett on August 21, when Eddie Dillon, Scott Parker and Friends will be performing for Rail Trail supporters in the back room from 5:00 pm to 7:00 pm No cover charge, but if you haven't already contributed to the Rail Trail design fund, this will be your chance.

The Mattapoisett Rail Trail had a banner year in 2009. First there was the inaugural celebration of the first mile on April 17. There was a great turn out for the event on one of the first spring days of the year. Then there was the appearance of an amazingly generous donor who pledged to match and double every contribution we received until Town Meeting. Then there was a successful week of fundraising and celebration culminating in our first annual four town bike and hike pledge event: The Southcoast Pathways Challenge. 60 riders turned out to support Wareham, Marion and Mattapoisett's pathways.

Get ready for a bigger Pathways Challenge next year!

In May, there was a successful Mattapoisett Town Meeting vote for appropriations from the General Fund and Community Preservation funds so that complete funding of Phase 1b - the Shining Tides Mile, could be guaranteed. In June, the Path Friends were able to make good on their commitment to funding the design and wrote a $15,000.00 check to the Town of Mattapoisett. Since then, our summer and year-round residents have continued supporting the design and construction of the path. Our generous benefactor extended the matching grant period to Labor Day, and donated $30,000, which was double the $15,000 raised. With our matching funds, we are 60% of the way towards our Phase 2 funding goal

of $50,000.00.

We are a long way towards our goal, but there is still work to be done. We will continue to raise money in an effort to:

- Finish the path and connect to Marion.
- Provide enhancements like benches, community notice boards, historic and environmental markers.
- Build extensions to the ORR Junior-Senior high school, and Nasketucket State park.
- Improve bicycle safety all around town.
- Help the town pay for maintenance.

We will continue to seek volunteers to:

- Help with bike path maintenance and construct trail enhancements.
- Organize social walking and bicycle rides.
- Develop historical and environmental signage and marker programs.
- Assist in fundraising and other organizational activities.

As we work with the state to set the schedule and get updated information about the project, we will have more specifics on future needs. But for now, come join other supporters and celebrate a great year for the Rail Trail.

who are living in poverty. In 2009, according to the National Center for Children in Poverty, 14% of the population in Massachusetts is living at or below the official federal poverty level. Through the Penny Project, Community Baptist Church will be collecting 202,300 pennies one for each child living in poverty to raise awareness of this problem. Funds raised will be donated to local organizations that address childhood hunger, homelessness, illiteracy, or domestic violence, and that support quality health care and quality education for children in our surrounding community.

The Nation-wide Penny Project is part of the Children in Poverty Initiative of National Ministries - American Baptist Churches USA. The national goal is to raise 14 million pennies each representing a child who is living in poverty in the United States and Puerto Rico. Community Baptist Church is located at 441 Front Street, Marion. A diverse, open and friendly congregation founded 15 years ago, the church is committed to living out God's ministry in this community in exciting new ways and invites all who are interested to join them in worship on Sunday morning at 10:30 am.

You can help the Penny Project by saving your pennies and bringing them to our church to add to our growing pile of pennies. Join us in this endeavor as we work together to help children live their fullest lives, as God intended. For more information about this project and the ministry of Community Baptist Church please

Rochester Historical Society News

If you missed our Society meeting on August 19, the Museum is also open on Sunday, August 30 from 1:00 to 3:00 pm. Stop by and visit Rochester's past.

• Our September 16 meeting will feature a talk by Steve Clapp of Mattapoisett on "Totosin, King Philip's Fearsome and Mysterious War Captain."

• Our Rochester books, shirts, maps and cards will be on sale at the Country Fair. We will have a display of past celebrations and also our Survey Books of Historical Rochester Properties. Come and see if your house is included or stop by to learn a little more Rochester history. If you could help by working in the booth for an hour or so on Saturday or Sunday, we would appreciate your help. All proceeds from the Country Fair will be used to replenish our depleted building fund.

• We are in need of baked goods and jars of jams or pickles for the Food Table at the Country Fair on Saturday, August 22. Please call Sandy Charron at (508) 763-2847 or Betty Beaulieu at (508) 763-2724 if you would like to bake something for the sale. Items should be bagged or wrapped ready for sale and should not be something that may melt, as the weather is usually hot.

• There will also be a Historical Society booth at the Craft Fair/Flea Market on September 5.

Anniversary with a "Mardi Gras" Theme. A Town Ball Game at Dexter Lane kicks off the week on Wednesday, August 19 when the Rochester Fire Department will face off against the Police Department. The actual fair itself will take place at Plumb Corner and begins on Friday evening, August 21 with a Woodsman Show contest. Old-Fashioned Country Fair fun will take place on Saturday, August 22 through Sunday, August 23.

• **Bring in those pictures!** We are looking for photos of past celebrations. Enter photos of previous country fairs, parades, sports events and any other Rochester event or celebration. Rochester has celebrated its history in style and with many memorable events. Let's take a look back and share the photos we have taken. Entry forms for this exhibit can be filled out at Bev Loves Books at Plumb Corner Mall in Rochester. The photos should be framed for display and dropped off at Bev's by August 20. Help us celebrate our town! Cash prizes will be presented at the fair. Forms and rules can be printed from website www.rochesterma.com.

• **Mardi Gras Theme Contest!** Homes located along the Rochester Country Fair Parade Route will have the opportunity to participate in a "Mardi Gras" Theme Home Award Contest.

The Committee encourages homeowners along the parade route to decorate the exterior of their home, yard or themselves with the spirit of New Orleans and Mardi Gras in mind. Whether it is bright carnival colors

of purple, green, and gold, colorful costumes, decorations, and mountains of beads, we look forward to how the residents celebrate our 10th Annual Country Fair with us!

Members of the Committee will judge each home as they pass by in the parade on Sunday, August 23. The only requirement is that homeowners are asked to have their house address clearly visible for judging. Prizes will be awarded to both the winner and the runner up of the contest.

The "Mardi Gras" Theme Parade will begin at 10:00 am on Sunday. Those who wish to participate in the parade can obtain their Parade Applications on the web at www.rochesterma.com or pick one up at Bev Loves Books.

• **Scarecrow Contest!** Bring a homemade scarecrow to the Country Fair and enter it in our Scarecrow Contest! The Scarecrow Contest is open to everyone – individuals, families, businesses and organizations. Promote your business or organization with an eye-catching scarecrow. Deaths:

William C. Maxwell, 87, of Marion, MA died August 11, 2009 after living life to the fullest. He was born in Rutherford, NJ and was educated at Deerfield Academy and Wesleyan University. Bill spent his summers growing up in Madison, CT where he met his future wife, June Cook ("Cookie").

After serving with the Army Air Force in England during World War II, he married June then completed his studies at Wesleyan. Bill was hired at Tabor Academy in 1946 where he taught French and Spanish and headed the Language Department until his retirement in 1987. He coached winter track and ran the small boat sailing program, affectionately nicknamed Bunny Boats, a label which still endures. He also played the organ at Tabor for 42 years during Vespers and the weekly all-school meetings.

He was hired by the First Congregational Church in Marion in 1958 to be the substitute organist and choir director. Having proven his talent, he was made permanent organist in 2000 with great ceremony, including a hymn written in his honor by Dwight Thomas called "Wings of the Morning" based on the 139th Psalm and the name of Bill's H28 ketch. He retired in 2007.

Bill's greatest love besides his family and music, was sailing. He began his love affair with a leaky rowboat and a piece of canvas duck strung on a pole for a sail. His father took pity on him and purchased a Wee Scot daysailer for Bill. He graduated to a Zip, then purchased a Herreshoff 15 E class from Tabor in 1950. He then owned a Herreshoff Fish until 1988 when he settled with an H28 ketch and co-owned another Herreshoff 15.

An accomplished carpenter, Bill built his own house "off campus" with June and friends in 1956, and assisted his youngest daughter in building her house in 1989. He also volunteered for the New Bedford soup kitchen and put his pleasant tenor voice to use with the Sippican Choral Society from 1964 to 2005.

Bill is best loved for his self-effacing manner, many talents and interests done well, and his quick, dry wit. He is predeceased by his parents, Clifford L. Maxwell and Marian Blackwell Maxwell, and his brother, Richard Maxwell. He is survived by his daughters, Elizabeth Maxwell Chace and her husband Brian Chace of Frederic, MI and Marion, Sue Maxwell Lewis and her husband Richard Lewis of Marion, two nieces, four nephews, three grandchildren and two great grandchildren, and his "extra special friend", Beverly Peduzzi of Wareham.

A celebration service will be held at Wickenden Chapel at Tabor Academy, Marion, MA on Sunday, August 23rd at 1 P.M. Donations can be made in his name to Marion's First Congregational Church Organ Maintenance Fund.

Vogt, Eugene A. "Gene" of West Roxbury and Wellfleet, August 15, 2009. Beloved husband of Ann L. (Blute) Vogt. Loving father of Lucia Letendre and her husband Roland of Mattapoisett, Richard E. Vogt and his wife Marjorie of Dedham, Michele V. Lewis and her husband David of Pembroke, Robert F. Vogt and his wife Patricia of Dedham, and Stephen C. Vogt and his wife Marilyn of West Roxbury. Also survived by 13 loving grandchildren. Loving brother of the late Barbara Clancy.

David Edward Marcello Jr., M.D. of Marion passed away peacefully at his home on August 16, 2009. Born in Hartford CT, the son of the late David and Bianca Marcello, he was raised in neighboring Wethersfield and graduated from Loomis-Chaffee school in 1945.

After serving in the Marine Corps from 1946-1948, he matriculated to Brown University, graduating in 1950. He obtained his DMD degree from Harvard School of Dental Medicine in 1954, followed by his MD from Harvard Medical School in 1956, where he was a member of the Aesculapian Club. He completed his surgical residency with the Harvard (Vth) Surgical Service at Boston City Hospital. After further training in surgical cancer care with an American Cancer Society Fellowship, he moved to Brockton with his wife Carole, and two children. There he joined the medical staff of the Brockton Hospital in 1962 where he remained for more than 30 years.

Dr. Marcello served as Chief of Emergency Services from 1962-1968, then Chief of General Surgery in 1977, and ultimately Chief of Surgical Services before retiring the positions in 1992. He was also involved locally and nationally with numerous medical societies including: Plymouth County Medical Society (past president), Massachusetts Medical Society, American Cancer Society, Boston Surgical Society, American College of Surgeons, New England Surgical Society, the American and New England Societies of Colon and Rectal Surgery, and the American Society of Gastroendoscopy.

The consummate surgeon with Norma (his nurse) always by his side, Dr. Marcello trained innumerable medical students and surgical residents over his career, initially as an Instructor in Surgery at Harvard Medical School and ultimately as a Clinical Professor of Surgery for Boston University School of Medicine.

Dave was predeceased by Carole, his wife of 55 years and love of his life. Carole and Dave were inseparable in marriage, on the dance floor, and in traveling the world before and after his retirement. They moved from their original

July and early September.

St. Philip's was designed by J.S. Hammond of Mattapoisett and built in 1884. The chancel window facing the harbor was installed in 1969 and depicts St. Philip, a fisherman and carpenter by trade, with his fishing basket and carpenter's tools. Around him are shown three fish native to Buzzards Bay: a scup, a striped bass and a bluefish.

The window also includes a catboat, compass rose, Seal of the Church, Great Seal of the Town of Mattapoisett, and the whale -- a reminder of Mattapoisett's early connection with the whaling industry.

This summer's services will be held through Sunday, September 6. Holy Communion is celebrated at both the 8:00 and 10:00 am services. All are welcome to join the anniversary celebration as well as services every Sunday until Labor Day. For more information about the church, contact us at www.stphilipsmattapoisett.org.

The Mattapoisett Tree Committee is committed to preserve and protect trees in our town. This also includes caring for the memorial trees that families have planted on town property. A new tree has been planted at the old Center School entrance to replace an aged tree. The Correia Tree was dedicated in the memory of Deidra Correia who attended Center School where her father had also gone to school as well. The original tree was given by the children of Center School. Now, the Tree Committee has generously given and planted the new tree.

If you would like to make a donation or contribute to a memorial tree for someone in your family, you may send a check to the Town of Mattapoisett for the tree committee. We will be happy to work with you as to a proper choice of tree and location on town property. Editor's Pick of the Week

Corn

Anne O'Brien-Kakley
anne@wanderer.com

Lend me your ear and I'll share with you my a-maize-ing "pick" of the week.

Okay, enough corny jokes.

It's mid August, which means one thing to me. Corn season. Let me just be clear for a second – I look forward to corn season more than Christmas and my birthday combined. Lucky for us in the tri-town area, there is no short supply of fresh corn sources. With a fungal blight having destroyed countless tomato crops this summer, farmers are feeling the impact of a bad season. Although I have yet to get a decent native tomato this year, all is not lost. The corn looks great, and it just might be the little silver lining for frustrated growers.

The main thing to avoid in corn season is what my grandmother used to call "cow corn". Most of the corn grown in America goes to cow feed (or the production of ethanol and high fructose corn syrup), and is much different than the sweet butter corn that we crave in August. Cow corn is left on the stalk to fully develop the kernels. "People" corn is freshly picked, and consumed before the sugars convert to starch.

Corn sugars convert to starch very quickly, so it's easy to wind up with a less-than-sublime ear. If you are eating corn at any time of year other than late summer, then you are likely consuming starchy corn. It is possible to fresh-freeze sweet corn, as Bird's Eye has a line of "deluxe" frozen white and gold corn that is *almost* as good as the native stuff. *Almost.*

Here are some tips that I have learned for getting the absolute best corn:

Buy at the right places – I only buy corn at farm stands and farmers' markets. There is more assurance in these venues that the corn was likely picked that morning. I'm sure that it is possible to get decent corn from a supermarket, but I play it safe and make an extra stop. Plus, it's nice to directly support local farmers by patronizing their stands.

Visually inspect – One word of advice – do not shuck corn at the stand or supermarket to inspect the ear. Don't do this even partially. It dries out the corn and makes the ear unsellable to other customers. Plus, it's an unnecessary practice. You can learn everything you need to know about an ear of corn by looking at it and gently touching the corn silk. Is the husk green? Is the husk nicely shaped? Is the corn silk still soft and slightly damp? Those are all good signs. Avoid ears that have dry, crispy silk, or browning husks. It's likely that these ears are a little too old for ideal eating. Some slightly older ears of corn can be used in soups and casseroles, but if we are talking about bare hands, butter and salt, then you need the freshest corn possible.

Cook with care – Corn should never be overcooked. It gets mushy and starts to taste like starchy cow corn if it spends too much time cooking. For perfect results every time, I blanch ears of corn in boiling water for about a minute or two – no longer. You can also grill corn. Being careful to leave the husk on the stalk, peel back the husk to expose the corn silk – remove the corn silk and carefully wrap the husk around the corn, tying the husk in place with twine. Soak the corn in water for 15 to 30 minutes so the corn will steam as it grills. Place the still-husked corn on a medium-hot grill and cook for 15-20 minutes, turning the ears often. You can brush the corn with olive oil before grilling if you so wish.

So what to do with all this delicious corn? Here are a couple of my favorite recipes this season:

Confetti Salad

Needed:

6 ears of corn, blanched with kernels cut off cob
1 can of black beans, rinsed
1 pint of cherry tomatoes, chopped
1 handful of cilantro, finely chopped
1 small onion, finely chopped
1 clove of garlic, minced
cup olive oil
juice of three limes

Combine the above and toss. Add salt and pepper as needed. For an extra kick, throw in half of a finely minced jalapeno.

Sweet Corn and Cauliflower Chowder

Needed:

1 cauliflower head, cut into large chunks
5-6 medium-sized carrots, peeled and chopped
1 large onion, chopped
2-3 cloves of garlic, minced
3-4 ears of corn, with kernels cut off cob
64 oz of chicken broth
4 medium sized potatoes, peeled and cubed
olive oil
salt and pepper

Sautee onion and garlic in olive oil until soft. Add carrots, potatoes, and cauliflower. Add chicken broth and bring broth to a gentle boil. Lower heat, and allow vegetables to cook until all are fork-tender. Using an immersion blender, blend the soup until smooth – both the potatoes and cauliflower will make the mixture thicken. As a final step, add the corn. This recipe would be great with leftover crumbled sausage or a tiny dollop of sour cream. - Enjoy!

Movie Review

Aliens?

By Rob Gonsalves
www.robsmovievault.com

***District 9*. Starring Sharlto Copley and David James. Directed by Neill Blomkamp. Running time: 112 minutes. MPAA rating: R.**

They used to say August was a dead zone for movies, the dumping ground for summer films that couldn't compete with the big dogs of May and June. Not any more. When one weekend in August brings us Hayao Miyazaki's magnificent *Ponyo* and Neill Blomkamp's perfect piece of parable entertainment *District 9,* it's time to reassess the eighth month. Like the best sci-fi, *District 9* is a sociopolitical allegory of sorts, equating repressed and dispossessed aliens with the forced relocation of Cape Town residents. It's also a kick-ass monster movie, though the monsters tend to be the humans, and the audience hoots when an alien turns one of the bad guys into a fine red mist.

There's an honest-to-god character arc here — remember those? Remember when there were actual *characters* in summer entertainment? The hero here is Wikus van der Merwe, a dorky clipboard-carrier for the MNU (Multi-National United), which has kept the aliens (or "prawns") in squalor for 28 years while trying to figure out how to use the aliens' weaponry. (The weapons only work if an alien uses them.) Wikus is played by Sharlto Copley as a mix of Rupert Pupkin and Lionel Cosgrove, the dweeby but ultimately heroic protagonist of Peter Jackson's *Dead Alive*. (Jackson produced and "presents" *District 9*.) Wikus starts out as an amiably callous company drone, treating the aliens with offensive jocularity as he tries to get their "signatures" to "approve" their relocation from the ghettos of Johannesburg to a place with even less stellar conditions.

Things happen, and Wikus slowly, organically begins to empathize with the "prawns." We do, too, as the film introduces an intelligent "prawn" and his plucky little son, who keeps saying things like "We go home now?" The special effects in *District 9* are subtly dazzling, creating computer-generated aliens that always seem to exist in actual space. The movie's atmosphere — hot, hazy, grungy — made me glad of the theater's air conditioning. Blomkamp and his team have built a physically persuasive world here, even if many of its people are sort of caricatures. The chief villains — an MNU higher-up, a bald gung-ho mercenary, a wheelchair-bound Nigerian warlord — ooze cartoonish menace. But that's part of the fun and the irony — the "prawns," with their icky tendrils and unintelligible masticatory speech, come to seem more human than the humans.

In truth, *District 9*'s credibility as an allegory has been a bit overstated elsewhere, and probably won't stand up to close scrutiny — otherwise you're essentially saying that black South Africans are ugly chattering crustaceans addicted to cat food. Neill Blomkamp grew up in Johannesburg, and he thought it would be a fine desolate place to set a sci-fi film — that's more or less how far we should take the analogy. But it is a backdrop we don't often see outside of art-house dramas. And the action sequences are clean, exciting, inventive, and always rooted in an identifiable goal. The movie also has the most emotionally perfect final shot since *Shaun of the Dead,* which, like this film, did not originate in Hollywood. We Americans used to be good at this stuff, maybe at one time the best. Not any more. But it's good that other world citizens are taking up the slack.

fundraising and other volunteer efforts.

Volunteers are needed to assist with library programs including story times, crafts, teaching chess, computer skills, sort and stack books for the annual book sale, help with the children's annual lawn games and summer reading program, and promote the use and enjoyment of our beautiful library.

• This year, we hope to raise $600 in order to secure a license to show movies at the library. Although the library has hundreds of DVDs available to patrons, copyright laws require that a library hold the proper license to show movies to the public at large. Tax deductible donations may be sent to: Movie Fund, c/o The Friends of the Mattapoisett Library, P.O. Box 1146, Mattapoisett, MA 02739. For more information or to join the Junior Friends of the Library, please contact Children's Librarian Linda Burke at the library, (508) 758– 4171, or Group Advisor Kay Smith at smithkd@comcast.net and at (508) 758–6797.

• Some of the weekly events planned are drop-in Toddler Storytime on Tuesdays from 10:30 to 11:00 am, Preschool Storytime, Thursdays, 10:30 to 11:00 am and Family Storytime, Saturdays, 11:00 to 11:45 am. A drop-in craft project, complete with materials & instructions, will also be available each week.

• This year we have decided to have our program become a charitable effort. Rather than receive a lot of prizes ourselves, we will be earning money for GiftsToGive, a non-profit agency in New Bedford. They repurpose donations of toys & clothing for children and purchase new underwear, socks and school supplies for children in need. You can learn more about their efforts by visiting their website, giftstogive.org. Many students from Old Rochester Regional High School have volunteered at their New Bedford location helping paint and assemble shelving units. Several continue to volunteer, helping sort and repurpose donations. Parents, businesses and anyone interested in supporting the children in their effort to help others, are invited to make a donation. Further details are available by contacting Mrs. Burke at the library at (508) 758-4171.

Rochester student Ryann Monteiro, a sophomore at ORR, recently returned from UCLA where she attended a People to People Leadership Summit. During the week-long program, Ms. Monteiro, along with other selected students from across the country, learned how to develop their own leadership abilities to make a difference at home. Ms. Monteiro says the program changed her life and introduced her to "the most amazing people."

Mattapoisett Lions Club member, Donald Bamberger of 10 Mechanic St., asked the Board of Selectman for their support of a new fundraising venture. The Lions Club proposed hanging decorative banners on the utility poles along the main thoroughfares of Mattapoisett. These banners would sport various themes that highlight the character of the town and various events that happen here. The fundraising would come from town's businesses that would pay to get their names hung under the decorative banner as sponsors of this beautification effort. The Selectmen are very receptive to this concept and have given their support contingent on Mr. Bamberger getting the approval from the various utilities and providing the Selectman with a detailed plan addressing the many potential issues this may create. The picture below was altered to give you a preview of what Water Street may look like in the not so distant future.

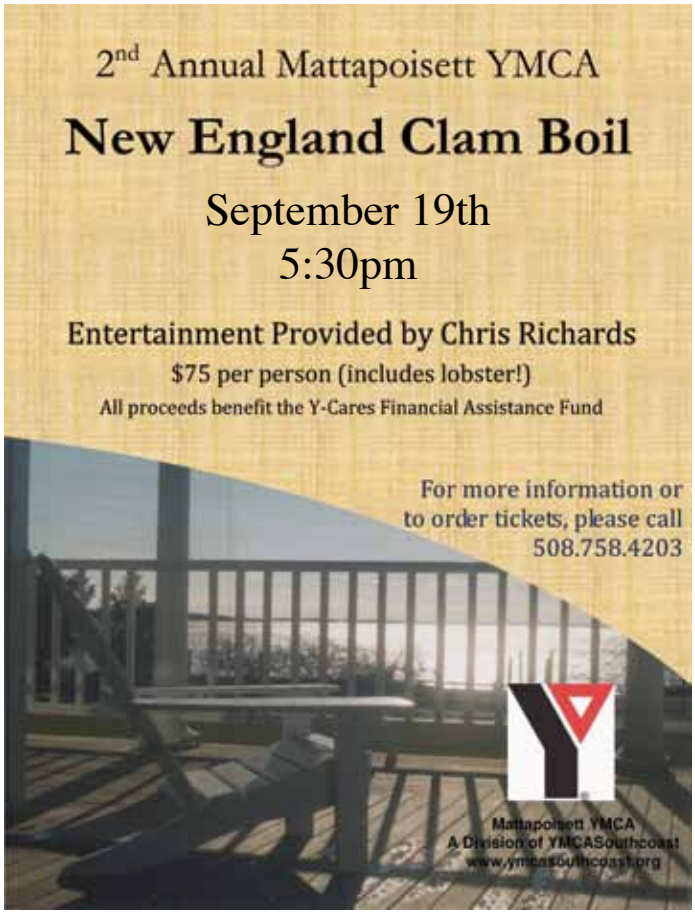

Local dancers earned top scores at the Dance Ovations National Dance Competition, earning six Absolute Gold Medals, nine High Gold Awards, and three Special Judges' Awards, including Judges' Choice. Members of the senior dance team include Rochester residents Jami Durocher, Julia LaLiberte, and Alexandria Mello, and Mattapoisett resident Jillian Zucco. The junior dance team includes Mattapoisett residents Katelyn Kiernan, Diana LaRock, and Madelyn Pellegrino, and Rochester resident Sarah Pinhancos.

classic rock, blues, oldies and R&B to get any age group moving to the beat. Bring your picnic dinner, your blanket and lawn chair, and your dancing shoes for a lovely evening with your friends and neighbors. This program will take place rain or shine.

• The Cafe Parlez book discussion group will be reading "Here if You Need Me" by Kate Braestrup. Stunned and grieving from the sudden death of her husband, Braestrup decides to become a minister, specifically a chaplain for search-and-rescue missions in the Maine woods, giving comfort to people whose loved ones are missing. This book recounts her journey from grief to faith to happiness. We will discuss this book on Thursday, August 27 at 6:30 pm. If you are interested in being a part of Café Parlez, inquire at the checkout desk.

• The Friends of the Joseph H. Plumb Memorial Library will hold their annual Book Sale on Saturday, September 12 from 9:00 am – 2:00 pm at the Fellowship Hall of the First Congregational Church of Rochester, 11 Constitution Way. Donations will be accepted at the library during business hours, until 5:00 p.m. on Friday, September 4. Call the library at (508) 763-8600 to arrange for donations to be picked up. Volunteers are needed to help with set-up on Friday, September 11 from 2:00 to 5:00 pm, and on the day of the sale. Call the library to volunteer. Volunteers get first pick, and half off their purchases. This program is sponsored by the Friends of the Plumb Library.

SALOME'S STARS

ARIES (March 21 to April 19) A chaotic atmosphere taxes the patience of the Aries Lamb, who prefers to deal with a more orderly environment. Best advice: Stay out of the situation until things settle.

TAURUS (April 20 to May 20) Tension runs high in both personal and workplace relationships. This can make it difficult to get your message across. Best to wait until you have a more receptive audience.

GEMINI (May 21 to June 20) This is a good time to take a break from your busy schedule to plan for some well-deserved socializing. You could get news about an important personal matter by the week's end.

CANCER (June 21 to July 22) An offer of help could come just when you seem to need it. But be careful about saying yes to anything that might have conditions attached that could cause problems down the line.

LEO (July 23 to August 22) Sometimes a workplace colleague can't be charmed into supporting the Lion's position. That's when it's time to shift tactics and overwhelm the doubter with the facts.

VIRGO (August 23 to September 22) You continue to earn respect for your efforts to help someone close to you stand up to a bully. But be careful that in pushing this matter you don't start to do some bullying yourself.

LIBRA (September 23 to October 22) Don't ask others if they think you're up to a new responsibility. Having faith in your own abilities is the key to dealing with a challenge. P.S.: That "private" matter needs your attention.

SCORPIO (October 23 to November 21) This is a good time to use that Scorpian creativity to come up with something special that will help get your derailed career plans back on track and headed in the right direction.

SAGITTARIUS (November 22 to December 21) While change is favored, it could be a good idea to carefully weigh the possible fallout as well as the benefits of any moves before you make them.

CAPRICORN (December 22 to January 19) The Goat continues to create a stir by following his or her own path. Just be sure you keep your focus straight and avoid any distractions that could cause you to make a misstep.

AQUARIUS (January 20 to February 18) A colleague's demands seem out of line. But before reacting one way or another, talk things out and see how you might resolve the problem and avoid future misunderstandings.

PISCES (February 19 to March 20) A personal matter appears to be making more demands on your time than you feel you're ready to give. See if some compromise can be reached before things get too dicey.

BORN THIS WEEK: You're able to communicate feelings better than most people. Have you considered a career in the pulpit or in politics?

The Mattapoisett Youth Baseball Association is a non-profit organization that touches nearly 250 children aged five to thirteen from the communities of Mattapoisett, Marion, and Rochester. We are holding our first annual golf tournament on September 26 at the Acushnet River Golf Course. The MYBA Golf Classic will be a first class golf and social event.

The success of this event will be largely credited to our sponsors, who lent their names and financial support to the event. The money we raise is used for field and equipment updates, instructional clinics, uniforms and tournament registrations. In the fall of 2009, we will start the "Haley Field Project." Once this project is complete, our safety concerns will be remedied, and we will be able to play ball on Haley Field. The field will be

37th Annual Buzzards Bay Regatta

The 37th annual Buzzards Bay Regatta hosted by the New Bedford Yacht Club in South Dartmouth Massachusetts completed its third and final day of competition on Sunday, August 9 with a steady Southwesterly breeze and plenty of exciting competition. With 16 separate racing classes competing in five circles, the regatta registered over 400 boats for this year's event.

On the water, standout performances in PHRF handicap classes included overall PHRF Boat of the Regatta, "Bronco," a Melges 32 owned by Michael Dominguez of Barrington RI, winner of the PHRF Racing 1. Other winners include Joey Mello onboard "Impression," a Concordia 37 from Dartmouth, MA in PHRF Racing 2, Ron Noonan's "Wildflower," a Sabre 402 from the Beverly Yacht Club, won PHRF Cruising 1, and "In Deep," a Dufour 38 driven by Bob Warren of Mattapoisett Yacht Club won the PHRF Cruise 2 Category. IRC winner was Dr. Ted Herlihy on "Gut Feeling," a J-109 out of New Bedford Yacht Club.

In Multihull classes, the two person F-18, a new class to the BBR, was won by Tripp Burd, of Boston representing the Eastern Yacht Club; and the multihull handicap class champion was Jay Spaulding on "Blue Moon," of the New England Multihull Assn.

In the 132 Boat Club 420 Class, Diedre Lambert and Tracy Doherty of Virginia took home the honors, never finishing out of the top 10 over 9 races.

One Design Keel Boat Classes were also on tap featuring J-80, J-105, Rhodes 19, Etchells, and J24 classes as well as dinghy classes for Vanguard 15, Laser, Laser Radial, Laser Masters, and 29er Skiffs. For complete results go to www.buzzardsbayregatta.com

The Buzzards Bay Regatta Committee would like to thank all participants, sponsors, and volunteer workers in making this year's event a huge success. Special thanks to our Admiral Level Sponsors South Wharf/Cape Yachts,

Chuck Michaud Golf Tournament

The eighth Annual Chuck Michaud Golf Tournament to support the Chuck Michaud Arena Fund and the Old Rochester/Fairhaven high school ice hockey team will take place on Sunday, August 23 with sign in at noon and a 1:00 pm shotgun start. The event will take place at the Bay Pointe Country Club in Onset. The entry fee includes greens fees, cart, catered dinner, closest-to-the-pin, longest drive, and hole-in-one contests, raffle, and a silent auction.

For the past several years, money has been raised to build a multi-purpose outdoor arena for roller hockey, basketball, arena lacrosse, soccer and field hockey. As the arena nears completion, the 2009 tournament will also support the Old Rochester/Fairhaven ice hockey program.

Namesake Chuck Michaud was a football, baseball and most notably a hockey coach at Old Rochester High School. His charismatic style brought out the best in his players, both on and off the playing field. He died unexpectedly at a young age. Today, his legacy continues on the ice at Old Rochester as a former Michaud player is the current varsity ice hockey head coach.

A Helping Paw Animal Shelter

A Helping Paw, a local no-kill humane organization, is being hit hard by the current economy. The shelter's income has continued to decline over the last six months, making everyday a struggle just to pay utilities and rent in order to keep the shelter's doors open. Shelter President, Chrissy Tomkiewicz, has continued to face a financial battle since opening the shelter ten years ago.

The shelter phone rings all day long - this is the time of year people are finding kittens under porches or in their yards. A Helping Paw will take in the kittens and rehabilitate them so they can be placed for adoption in loving homes, while spaying the moms so they won't breed anymore.

Shelter volunteers are afraid that without the money to rescue and care for these cats and kittens, they will be left out to take their chances, trying to survive on their own. Chrissy goes on to say, "It is a shame that there are so many more cats and kittens out there that need our help, but we have our hands tied, not having the money to help them."

To help these pets, the shelter is in need of any and all donations; monetary donations for medical care

CROSSWORD SOLUTION

student from Europe, Asia, North and South America, Australia, New Zealand and South Africa, you provide a rewarding opportunity to a special teenager. These personable and academically select exchange students are bright, curious and anxious to learn about this country through living as part of a family, attending high school and sharing their own culture and language with their newly adopted host family. All students are well screened, insured, speak English and come with their own spending money. The students arrive from their home country shortly before school begins and return at the end of the school year.

Host families provide room and board and guidance for their new son or daughter while experiencing the joy of watching a child grow academically and culturally. Each exchange student expects to bear his or her share of the household responsibilities as well as be included in normal family activities. When sharing your home with a student from another culture, your lives are enriched forever by your new lifelong friendship!

Couples, single parents and families are encouraged to apply. For additional information about hosting an ASSE exchange student, call Joyce McKenney at (207) 737-4666 or 1-800-677-2773. Also, please visit our website at asse.com for additional opportunities through ASSE!

ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

Scandinavian Student Exchange) is a non-profit, tax-exempt, public benefit organization. ASSE is officially designated as an exchange visitor program by the U.S. Department of State. Protect Yourself Against Mosquitoes

The Massachusetts Department of Public Health has announced that West Nile Virus has been found in mosquitoes in the towns of Westborough and Westford. This follows yesterday's finding of a positive mosquito sample in Boston and one from Walpole in July. The Eastern Equine Encephalitis (EEE) virus has been found twice in mosquitoes from Freetown.

Avoid Mosquito Bites: Be aware of peak mosquito hours. The hours from dusk to dawn are peak biting times for many mosquitoes. Consider rescheduling outdoor activities that occur during evening or early morning. Wearing long-sleeves, long pants and socks when outdoors will help keep mosquitoes away from your skin.

Apply insect repellent when outdoors - use a repellent with DEET or oil of lemon eucalyptus according to the instructions on the product label. DEET products should not be used on infants under two months of age and should be used in concentrations of 30% or less on older children. Oil of lemon eucalyptus should not be used on children under three years of age.

Mosquito-Proof Your Home: Drain standing water. Mosquitoes lay their eggs in standing water. Limit the number of places around your home for mosquitoes to breed by either draining or discarding items that hold water. Check rain gutters and drains. Empty any unused flowerpots and wading pools, and change water in birdbaths frequently. Keep mosquitoes outside by having tightly-fitting screens on all of your windows and doors.

More information is available on the Department of Public Health website: www.mass.gov/dph/wnv. Information about West Nile Virus and Eastern Equine Encephalitis is also available by calling the DPH recorded information line at 1-866-MASS-WNV (1-866-627-7968), or the Epidemiology Program at 617-983-6800.

I Found the Aardvark!

Each week, hidden somewhere in the pages of *The Wanderer* is a tiny drawing of an aardvark. The little guy you are looking for looks exactly like the one pictured above (but don't put down this page as your answer, there's another one hidden somewhere in this issue).

Once you find the aardvark you can submit your answer online and if you are right you will get Aardvark Points! You can then use these points to get cool Aardvark Prizes!

Each time you find the Aardvark you will also be entered in our monthly drawing for other cool Aardvark Prizes.

If you would like to enter the monthly drawing by mail, send your name, address and phone number along with the issue date and page number you found him in to: Wanderer - I Found the Aardvark, P.O. Box 102, Mattapoisett, MA 02739. Entries by mail will not be eligible for Aardvark Points.

To enter visit: www.wanderer.com and Click on *"I Found the Aardvark"*

In the August 13 issue the Aardvark was on page 45!
